The Examinations & Depositions of Sybrand Peterson, Corporal, Peter Jacobs, Jonathan Blake, Thomas Key & Lewis Ferrell, Centinells, Relateing to Cap^t. Courtneys resisting the Guards, sent to Confine him, & striking Cap^t. Davis, Commander of the Guard, upon a Quarrel between Cap^t. Roach & the aforesaid Captain Courtney.

—— *APRIL 1710* ——

Sybrand Peterson being examined says, that he was Corporal of the Guard & he was ordered to come with a file of Musketeers by Captain Davis who was Captain of the Guard, & comeing into the Square, heard Capt. Roach & Capt. Courtney Quarreling, when Capt. Davis by order of the Deptty. Govr. ordered me to carry Capt. Courtney & confine him to his room, upon which Capt. Courtney gave Capt. Davis several uncivil words & Capt. Davis desired him civilly, saying Brother go to your roome, upon which Capt. Courtney went up to Capt. Davis & struck him with his hand, & took hold of his Perriwigg & hat, upon which Capt. Davis struck him with his Cane & ordered him to go Prisoner to his [room] it being the Deptty. Govrs. order, Capt. Courtney hearing that run to Lewis Ferrel & took hold of his peice, upon which I seeing that, I run to Capt. Courtney & took hold of him, upon which one of the men named Peter Jacobs took & struck at Capt. Courtney with his ps., after we brought him to his room, the said Capt. Courtney comeing into his room, run to his sword & pusht twice at me, I seeing that retreated & cock't my firelock to defend myself, upon which Capt. Courtney cry'd God Damme You, You durst not fire, upon which I went into his room & took both the Swords by force out of the boys hands, one being drawn the other in the Scabbard, both which I delivered to Capt. Davis as he was Commander of the Guard.

SYBRAND PETERSON.

Peter Jacobs being examined says, that when he went with the Corporal into the Square he saw Capt. Davis & Capt. Courtney, when Capt. Davis desired said Capt. Courtney to go to his room as a prisoner, by order of the Governour upon which Capt. Courtney said something in English, which I did not understand & struck Capt. Davis & beat his Wigg & hat off, after which Capt. Davis said God Damme I will beat you now, & so struck him with his cane, afterwards Capt. Courtney leapt at one of the Centinells, called Lewis Ferrel, to seise his arms, but the Corporal run in & catcht hold of Capt. Courtney, & I with my ps. struck him on his head, & another struck him on the back, afterwards he went to his room & took his sword & came to kill us, upon which I told him, if he did not keep in his room I would kill him, he answered you have not order, & cannot fire, if you advance you shall see if I have not order, afterwards he came out of his room when I and another remained Centry, Capt. Courtney came & told me he would break my head when he was clear of his Confinement.

PETER JACOBS.

Jonathan Blake being Examined says that when he came into the Square he heard Capt. Davis say to Capt. Courtney, go into your room Civilly & be quiet, but he refused & struck Capt. Davis with his hand & pulled off his Hat and Wigg, upon which Capt. Davis struck Capt. Courtney over the head with his cane, who called him names, upon which Capt. Davis commanded the Guard to carry him to his room by force as a prisoner, but as the Guard came near Capt. Courtney endeavour'd to seize Lewis Ferrels piece, but Peter Jacobs struck Capt. Courtney & the Corporal seized him & Carried him to his roome, where he shut the door after him, & afterwards came out with his sword & made two passes at the Corporal, Sybrand Peterson who retreated Cock't his piece saying if Capt. Courtney came any farther he would shoot him, upon which Capt. Courtney Answered you dare not, I will kill one of you & be revenged on the rest, after this Sybrand went into the room & brought out both the swords, one drawn the other in the Scabbard, & carried them to Capt. Davis, this is all I know.

JONATHAN BLAKE.

Thomas Key being examined Says that at first when the Corporal came with the Guard to the Square, Capt. Davis went to Capt. Courtney & desired him in Civillity to go to his roome as a prisoner in the Govrs. name, upon that Capt. Courtney bid him stand out of the way for a Chucklehead dog & struck at Capt. Courtney, who run towards me, laid hold on my peice, which he strove to take away but could not, when one of the guard struck him over the Pate, & another over the back, when Cap^{t}. Davis bid us carry him into his roome & after taking 2 or 3 turns he went into the other roome & shut the door & afterwards open'd the door and push't with a drawn sword at the Corporal, who cock't his Piece, when Cap^{t}. The Merchants being appointed yesterday to attend at Consultation, they accordingly appeared this day, to give their Answer about drawing out their Contract as Custom^ry. which was that they would provide Goods according to the List show'd 'em & the price formerly agreed on, & that they would make what speed possible to procure the Musters of said Cloth & fine Oringal Beteelaes, when would agree upon a price for the same, after which Vincatty alleadging that he had more shares in the Joint Stock Merchants then any of the rest, therefore requested that he might be allow'd two head places as others had at Tevenapatam, which not being thought Convenient for Several Reasons, 'twas denied him, & whereas Milapa Chittee brother to Gunnaputtee Chittee & Powatiah Son to Eramrause haveing been formerly entertain'd as head Merchant's which hath occasioned many Inconveniencys & disputes among the Merchants by their haveing two Votes each, whereby they overrule the rest, it is therefore agreed & ordered to prevent the like Inconveniency for the future, that said Milapa Chittee & Powatiah be laid aside & that Sunca Mudu Rama & Balla Naigue be taken in their places.

The Candy of copper haveing been coined into Cash & half the quantity made to be only of half the usual value 'tis ordered therefore that notice be given by beat of Tom Tom, that noe Person dare refuse the same at the usual Prices in Proportion to those of the bigger sort.

Read a General Letter from the Hon^ble. President & Council of Fort St. George dated the 22d instant with two Generals of the Gov^rs. of Trincombar & Negapatam, as allso Letters to the Supracargoes or Commanders of any English ship or vessel to advise 'em of the arrival of the four St. Mallo's ships at Pondicherry, which were forwarded on receipt thereof.

In said General came an order to reduce the Commanders, Ensigns, Serjeants & Corporals pay, upon which they were called up & acquainted with said order.

— *AUGUST 1710* —

It's allso ordered that the Yatch Cruise too & againe with Coppy of the Hon^ble^. Presidents &c^a^. Letters to the Supracargoes & Commanders of any English ship, wherefore 'tis agreed that Thomas Rumnley & Serjeant Rumbold do go in the yatch with 10 good Lascars & that the Steward do put on board 20 days provisions on this occasion.

This day being appointed for Letting out the Arrack Licence, the same was put up at Publick Outcry, & Cootah & Surapah being the greatest bidders had it for one year at 1600 Chuckrums, he was acquainted with the order in the General Letter from Fort St. George dated the 16th instant which positively forbids trusting any of the Military, unless the Captains & Ensignes.

Mr. Richard Harrison, being formerly ordered to take care of the Estate of Manuel Gonsolvis deceas'd, did this day produce an acc^t^. thereof in Consultation & pays in the Ballance to Francis de Cruis, who is attorney for the Relict of said Manuel Gonsolvis, coppy of said Account is as entered next after this Consultation.

The Deputy Gov^r^. brought in his acc^o^. Tobacco & Betle of Cuddalore for the m^os^. of May, June & July & pays into the R^t^. Hon^ble^. Comp^as^. Cash the ballance thereof being Pag^s^. 423. 19. 1.

It being agreed last Consultation that none of the head Merchants should have more then one head place, Melapa Chittee Brother to Gunnaputtee Chittee & Purwatiah son to Eramrause, were then ordered to be laid aside & that Sunca Mudu & Balla Naigue should supply their places, but the same being this day debated in Council, 'twas Carried by Majority of Votes to continue 'em as formerly for this present Investment to avoid Loosing any more time, since we are so Earnestly prest from Fort St. George to come to a Conclusion with the Merchants for fear of raising the prices of Goods on the four French ships arrival, wherefore the Merchants being sent for Appeared & Signed their Contracts this day for 50,000 Pagodas.

Derrick Johnson, a Dutchman, offering to serve the R^t^. Hon^ble^. Comp^a^. for three years, it's agreed that he be entertained in Cap^t^. Davis's Company at the usual Pay.
